MIXED FLEET SOLUTIONS – WINTER EDITION

With a comprehensive range of all-makes truck and trailer parts and accessories, lubricants, filters and workshop consumables, VRS is the complete solution for your fleet.

Developed by Scania and available through its UK network, this extensive range of truck and trailer parts are available in one place, saving you time, effort and money every time you order.

As part of Scania UK, you'll benefit from high level product availability, a convenient parts delivery service, and a 24-month fitted parts warranty. All guaranteed to make life easier and safer for mixed fleets.

Contact your nearest Scania Service Centre or visit our website to find out more.

WINTER ESSENTIALS

TELESCOPIC SNOW BRUSH AND ICE SCRAPER

Effective snow brush and ice scraper for cleaning in all weather conditions. This tool has a brush head with integrated rubber scraper to remove wet and heavy snow. The brush head can be set in two positions, either T-shape or straight. The handle is telescopic and can be adjusted for extra-long reach. In T-shape the length is 820-1140mm, and for straight it is 930-1250mm.

24 MONTH
FITTED PARTS
WARRANTY

All VRS parts are available through the Scania network, and when fitted in a Scania-approved workshop, they're covered by our 24-month fitted parts warranty.

*Prices valid between 15.10.2022 - 28.02.2023. All prices exclude VAT unless otherwise stated. Prices may change at any time without notice. Prices quoted are recommended retail prices. Participating dealers only. All items subject to availability. The images used in this publication represent the type of products available and may not look exactly like the product purchased. Vehicles may be specified with products other than those shown, so before purchasing the part you require, please check with your local Scania parts department that it is the correct product for your vehicle type. All information believed to be correct at time of going to press, however, Scania reserves the right to introduce at any time modifications or changes to detail as part of a policy of continuous improvement. Manufacturers' part numbers used in this brochure are for cross reference purposes only and do not imply anything about the origin or manufacturer of the product. All VRS parts come with the standard 12-month Scania parts warranty. Our 24-month fitted parts warranty is valid for parts sold on or after 01/01/2020 (invoice date) and fitted in a Scania approved workshop until end of offer, please refer to full warranty terms and conditions and our standard terms and conditions of sale on our website www.scania.co.uk/business-with-scania
